

# C-QUADRAT Active PLUS T

## Fund Description

State as of 28/02/2022

**Active Approach** - The C-QUADRAT Active PLUS follows an active asset allocation approach which takes quantitative and qualitative decision-making factors into account. On this basis, a diversified portfolio consisting of different market segments is compiled. The investment fund does not follow any benchmark and tries to reduce long-term losses through active risk management.

**Flexible Asset Allocation** - Depending on market developments, the C-QUADRAT Active PLUS may invest up to 100% of its assets in equity funds. In case of negative equity markets, a complete disinvestment from equity investments is possible.

Past performance figures and simulated performance do not constitute any reliable indicator of future performance. Every capital investment bears a risk. Prices may rise as well as fall. Issue and redemption fees have not been taken into account when calculating performance. Performance data have been calculated using the OeKB method. In case of an investment amount of 1,000 EUR, the investor will be required to pay a subscription fee of max. 52.50,- EUR. This will accordingly diminish the performance of his investment. Any custody charges will further reduce the investor's return. Calculation provided by Cyberfinancials Datenkommunikation GmbH.

This marketing document is provided for non-binding information purposes only and does not represent any offering or invitation to purchase or sell units in an investment fund, and nor should it be deemed an invitation to submit an offer for conclusion of any contract on investment services or collateral performance. This document cannot replace the advice of your personal investment advisor.

The basis for the purchase of investment units is the presently valid prospectus, the current versions of the key investor document ("KID" or "KIID") as well as the annual report and, if older than eight months, the semi-annual report. Potential investors may obtain the current German-language versions free-of-charge from Raiffeisen Kapitalanlage-Gesellschaft m.b.H., Mooslackengasse 12, A-1190 Vienna. Units of the fully reinvesting tranche may only be purchased and held by individuals who either are not subject to the Austrian Income Tax (Einkommenssteuer, ESt) or Austrian Corporate Income Tax (Körperschaftsteuer, KSt) or who fulfill the requirements for exemption in accordance with § 94 ESt or for exemption from the Austrian Investment Income Tax (Kapitalertragssteuer, KESt.). An offer or the sale of the full income-retaining tranche cited to other individuals is therefore not permitted.

Past performance figures and simulated performance do not constitute any reliable indicator of future performance. Fund-based investments are subject to general economic risks as well as fluctuations in value which may result in losses - and even the total loss of the capital invested. Express reference is made to the detailed risk notices provided in the prospectus.

All performance figures indicated are gross performance figures. These include any costs arising at the fund level and assume the reinvestment of any distributions.
